Projects

Seeds for Integration

Seeds for Integration is a re-granting scheme providing large, medium and small-scale funding for secondary school student unions to implement inclusive projects on the integration of migrant and refugees to the secondary education system.

| 12 projects in 10 countries |

European Apprentices Network

Created jointly with the European Youth Forum and with support of DG EMPL, the EAN ensures that the voice of young apprentices is heard in discussions at European level.

Coloured Glasses

[As partner organisation]

CGrow contributes to increasing the number of young people who develop intercultural competences, thus equipping them to engage in non-discriminatory practices and intercultural dialogue.

RESULTS
